# About us

We offer students a safe stimulating and nurturing environment to discover the joys of learning and is obligated to ensure an environment of love, compassion and harmony developing critical thinking and thereby making the child independent. The primary goal of **Krishna Kids Academy, New Rajendra Nagar** is to safeguard the holistic development of children through physical, social-emotional, cognitive, aesthetic, cultural, language and literacy domains. The learning environment here enables each child to realize their learning style, while the teaching methodology helps them discover their own creative and aesthetic potential.

Our curriculum encourages active hands-on-learning, with lots of time for reading, arts and crafts, music and outdoor activities that emphasises individualised instructions and self-paced learning which broaden and deepen children essential skills which will ready them as LIFE-LONG LEARNERS.

## Infrastructure at Krishna Kids Academy, New Rajendra Nagar

Fostering a **love** for reading and imagination.

### Activity Spaces:

Special area for events and pretend play.

Dedicated audio-visual room for engaging learning experiences.

## Foundational Literacy and Numeracy

A distinct feature of **Krishna Kids Academy, New Rajendra Nagar**

Foundational Literacy Numeracy is a concept that focuses on developing basic literacy and numeracy skills in children during their early years of education. FLN is considered a foundation for a child's learning journey and is essential for their overall cognitive growth.

FLN skills are very important because they:-

-  Lay the foundation for academic success
-  Improve critical thinking, problem-solving, and communication skills
-  Improve empathy and self-confidence
